Transferred $24,000 in other fund expenditure authority to federal fund expenditure authority within History. This is a one-time transfer from personal services to personal services. Expenditure authority will be used for administering the Documenting Democracy grant. Expenditure authority is available due to having fewer archeological research agreements than previously anticipated.

I declare and affirm under the penalties of perjury that this claim has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.
