Transferred \$641,000 of other fund expenditure authority from Criminal Investigation to Legal Services. This is a one-time transfer from operating expense to operating expenses and from personal services to personal services. As discussed during the 2013 Legislative Session, the department will spend \$125,000 of other fund expenditure authority in personal services on non - traditional legal work using the Public Entity Pool for Liability (PEPL) fund. The remaining \$46,000 of other fund expenditure authority in personal services are eligible to be expended on the administration of a grant that will be closing out. The department will pass through \$420,000 of other fund expenditure authority to local entities for Drug Control initiatives. The remaining \$50,000 of other fund expenditure authority is necessary due to a shortfall in appropriated expenditure authority for space billing in the Consumer Protection program.

Accounting transaction detail can be queried from the central accounting system by LRC staff. A record of this transfer and its authorization is available for public inspection in the Bureau of Finance and Management.
