Transferred \$1,717,364 in other fund expenditure authority from Computer Services and Development in the Bureau of Finance and Management (BFM) to BFM Financial Operations (\$1,117,364) and the South Dakota Retirement System (SDRS) (\$600,000). This is a one-time transfer from operating expenses to operating expenses. The Computer Development Pool is available to agencies for technology expenditures. The expenditure authority for BFM is needed for the Visual FoxPro Transformation Project and Faster Comprehensive Annual Financial Report (CAFR) software implementation. The expenditure authority for SDRS is for the Visual FoxPro Transformation Project.

I declare and affirm under the penalties of perjury that this claim has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.
