Transferred \$9,683 in general funds within the Bureau of Finance and Management. This is a one-time transfer from operating expenses to personal services. Funds are being used for a position which can no longer be funded with other funds. Funds are available due to contractual services costs being lower than previously anticipated.

I declare and affirm under the penalties of perjury that this claim has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.
