Transferred \$550,000 in federal fund expenditure authority within Rehabilitation Services. This is a base transfer from operating expenses to personal services. The funds transferred will be used for Project Skills wage expenditures. The funds were available because this program was formerly operated through contractual services and now has to be ran through personal services.

I declare and affirm under the penalties of perjury that this claim has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.
