Transferred \$157,000 of other fund expenditure authority to federal fund expenditure authority within State Parks and Recreation. This is a one-time transfer involving personal services. This transfer allows State Parks and Recreation to take advantage of additional federal dollars for seasonal workers, these salaries were anticipated to be paid with other fund expenditure authority, thus freeing up the other fund expenditure authority.

Accounting transaction detail can be queried from the central accounting system by LRC staff. A record of this transfer and its authorization is available for public inspection in the Bureau of Finance and Management.
