Transferred \$24,000 in other fund expenditure authority within Public Utilities Commission. This is a one-time transfer from operating expenses to personal services. The authority transferred will be used to cover a shortfall in personal services resulting from increased time spent on telecommunications issues. Authority is available due to lower than anticipated costs for supplies and materials as well as travel.

I declare and affirm under the penalties of perjury that this claim has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.
