	Debit	Credit
Total	\$90,000.00	\$90,000.00
TotFTE	0.0	0.0

Transferred \$90,000 of federal fund expenditure authority from Arts to History. This is a one-time transfer from operating expenses to operating expenses. The authority is needed to cover additional federal grant expenditures and is available due to lower grants received that projected.

Accounting transaction detail can be queried from the central accounting system by LRC staff. A record of this transfer and its authorization is available for public inspection in the Bureau of Finance and Management.
