Transferred \$20,000 in other fund expenditure authority to federal fund expenditure authority and \$33,827 in other fund expenditure authority to other fund expenditure authority within the Unified Judicial System (UJS). This is a base transfer from operating expenses to operating expense and operating expenses to personal services. The funds transferred will be used for various federal grants and for across the board raises for UJS IT staff in response to Executive Branch career banding increases. This realigns expenditure authority with anticipated expenses in the UJS.
