Dear Dr. Warner:

The Government Operations and Audit Committee has scheduled a meeting for November 13, 2014, in Room 413, in the State Capitol Building, to review various issues involving state government.

The Committee requests that you be present on November 13, 2014 to discuss changes made to the contract authorization process since the EB5 program was under the South Dakota International Business Institute at Northern State University. In addition, I would be interested in your thoughts on the proposed amendments to South Dakota Codified Laws 5-18A-17 and 3-16-7.

This is the fifth item on the agenda and is scheduled to be the first item following the lunch break.

If you have any questions, please contact Tim Flannery with the Department of Legislative Audit at 773-3595.

Sincerely,

Senator Larry Tidemann, Chair
Government Operations and Audit Committee
