Brand Board Legislative Report for Calendar Year 2016

This report is compiled to meet the requirements for SDCL 40-18-18. The South Dakota Brand Board operates on funds generated from the brand registration program and brand inspection program. The Brand Board does not receive general fund appropriations. The livestock inspection area in South Dakota is west of the Missouri River. Any livestock leaving this inspection area must have a livestock inspection or transportation permit prior to leaving. The registration and use of brands apply state wide. Members of the Brand Board are appointed by the Governor and confirmed by the Senate. Current Brand Board members are Wanda Blair, Vale; Bart Blum, Reliance; Scott Vance, Faith; Lyla Hutchison, Wounded Knee; and Myron Williams, Wall.

Livestock Inspections and Fees Collected

In CY2016, a total of 1,662,495 head of livestock were inspected. A breakdown of the inspections is as follows: Livestock Markets – 1,126,994 head, Local Inspections – 529,940 head, Locker Plants – 4,737 head. This compares with CY2015 inspections of 1,581,415 head. The CY2015 inspections were the following: Livestock Markets – 1,028,561 head, Local Inspections – 547,169 head, Locker Plants - 4,632 head. The number of holds decreased in 2016 to 19,825 compared with 22,512 holds in 2015. Thirty-six holds were submitted to the Brand Board office following the 60-day period in which the inspectors work to clear the holds. Table 1 shows the inspections by month for each category. Table 2, which lists CY2015 information, is included for comparison purposes. Some of the reported numbers are subject to change as data may be received in the brand office after the completion of this report.

Monthly inspection receipts for livestock markets and local inspections are shown in Table 4. Fees collected for locker plants and feedlot inspections, which are not provided on a local inspection, are included in the livestock market totals. As of July 1, 2013, the brand inspection fee is a \$1.00 per head. The inspection receipts listed below do not include the mileage fees collected for local inspections. The CY2015 fees are included for comparison purposes.

Missing or Stolen Livestock

The number and type of livestock, which were reported missing or stolen in CY2016, are listed in Table 5. Missing or stolen livestock for CY2015 are listed in Table 6. When missing or stolen livestock are recovered either by investigators or law enforcement officials, the recovery is recorded. In most cases, if livestock are recovered by the owner, the recovery is not reported to the Brand Board. As a service to livestock producers, the *Tri-State Livestock News*, *Cattle Business Weekly*, *The Aberdeen News Farm Forum Green Sheet* and *Tri-State Neighbor* publish the Livestock Missing or Stolen Report at no cost to the Brand Board.

Recovered Strays

Strays are also recovered by brand inspectors either performing a local inspection or while inspecting livestock at a livestock market. Table 7 shows the number and type of livestock recovered during inspections completed from 2012 thru 2016.

Brand Board Holds

The number of holds implemented at the livestock markets, feedlots, locker plants and in local inspections are included in Tables 1-2. Information on holds submitted to the Brand Board office, following the 60 day period, is shown below in Table 8. The brand inspectors are doing an outstanding job in clearing holds so they are not sent to the Brand Board office. Once a hold is received at the Brand Board office, the chief brand inspector reviews grazing reports, strayed and stolen reports, and obtains information from Animal Industry and from brand offices in surrounding states to determine the owner. A detailed listing of Holds Paid, Pending, and escheated to the Theft and Prevention Fund is included in the Appendix of this report.

Livestock Investigations

Livestock investigators are under the authority of the Attorney General's Office and supervised by the Division of Criminal Investigation. Currently there are two DCI livestock investigators. The Brand Board reimburses the AG's office for a majority of the expenses incurred by the investigators. The dollar amount of expenses reimbursed by the Brand Board in Fiscal Year 2016 and Fiscal Year 2015 were \$142,857 and \$131,809 respectfully. Livestock recovered by investigators in 2016 were 2 calves and 9 horses. Table 9 lists investigation information for 2016 and 2015.

Other Information

The Brand Board office is also responsible for brand registration, transfers, and brand renewals. Table 10 shows the brand activity for 2014, 2015, and 2016. Brands are renewed every five years. If a brand owner does not renew their brand by May 1st of the renewal year, the brand owner has two years to re-record their brand. The last renewal year was 2015 with the re-record period ending May 1, 2017. After May, 1, 2017 brands that were not recorded are available for the public to apply for. Applications for these brands must also go through the conflict check process. The next renewal period is January 1 - May 1, 2020. The brand book is online and can be found on the Brand Board's website www.sdbbrandboard.com.
