

The Board of Regents 2020 Strategic Plan

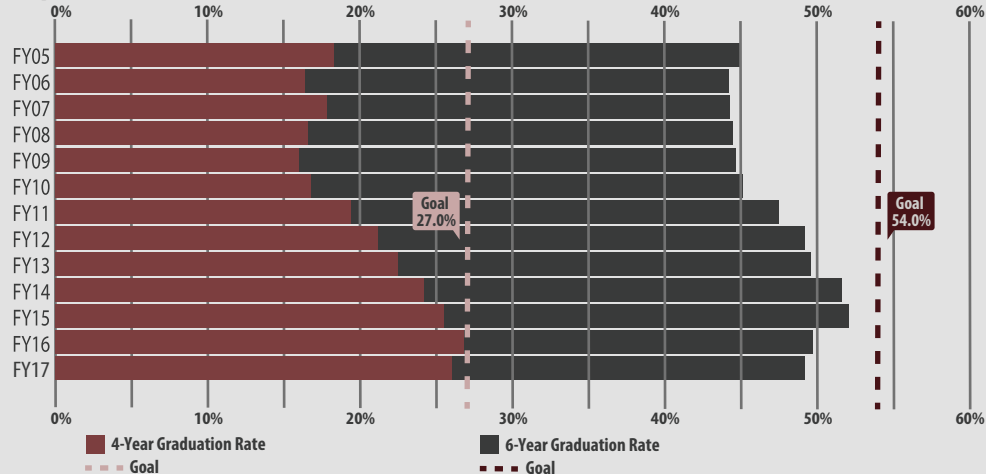

In October 2014, the Board of Regents adopted a strategic plan to serve as a blueprint to advance South Dakota's public university system. The Board identified four specific goals – student success, academic quality and performance, research and economic development, and affordability and accountability – and used existing trend data to set targets on 20 metrics for the Regental system by 2020. These metrics are evaluated annually and used in the annual evaluation for each university and superintendent. This infographic illustrates the Board's progress on these goals using the most recent data.

Goal 1: Student Success

Grow the Number of Degrees and Graduates

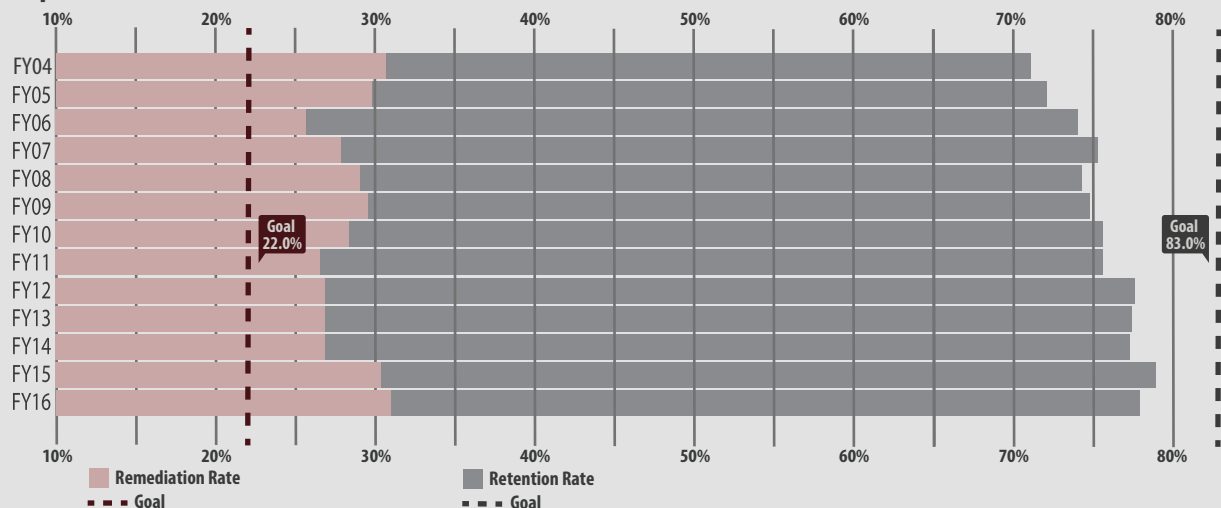

Improve 4- and 6-Year Graduation Rates
