Letter of Intent Regarding the Realignment of General Funds for Utilities Among Universities Under Control of the Board of Regents

Dear Dr. Beran:

This Letter of Intent sets forth a particular view held by the Joint Committee on Appropriations (JCA) in approving your appropriation in the 2019 Legislative session. As such, this Letter of Intent seeks to supplement that legislation with specific policy guidance as approved on March 29, 2019.

While the guidance does not have the direct force of statutory law, it rests solidly on a long-standing tradition of Legislative-Executive relationships in South Dakota and it will be used by the Joint Committee as one basis for the fiscal oversight of your agency and its continued funding.

SB180 impacts utility appropriations for institutions under control of the Board of Regents. The amounts included in the legislation are estimates, based on systems overseen by the Bureau of Finance and Management. It is the intent of the Joint Committee on Appropriations that the institutions may realign the appropriated general fund utility dollars between the institutions as necessary to fully fund the utility costs for each institution, to the extent dollars are available. The institutions will prepare transfer documents and submit them to the Bureau of Finance and Management according to established procedures. The Joint Committee on Appropriations will continue to receive an electronic record of these transfers as they occur.

Thank you for your cooperation.
