ENTITLED, An Act to create the Special Education Interim Legislative Committee.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. That chapter 2-6 be amended by adding a NEW SECTION to read:

There is hereby created the Special Education Interim Legislative Committee. The **purpose of the interim committee is:**

- (1) To examine the diagnostic tools and assessments used to identify students in South Dakota schools in need of special education or special education and related services;
- (2) To examine the disability categories that are rising at the greatest rate and review eligibility requirements;
- (3) To review the funding levels of the disability categories;
- (4) To examine the common costs associated with extraordinary cost fund applications, including out-of-district placements; and
- (5) To develop recommendations to address the increasing costs of services.

Section 2. That chapter 2-6 be amended by adding a NEW SECTION to read:

The interim committee created in section 1 of this Act shall consist of the following fourteen members:

(1) The Executive Board of the Legislative Research Council shall appoint the following:

- (a) Five legislators including, if possible, the chair or vice-chair of the Senate standing committee on education and the chair or vice-chair of the House standing committee on education and one member of the minority party who serves on either the Senate or House standing committee on education; and
- (b) A person who is an advocate for persons with disabilities;

(2) The secretary of education shall appoint the following:

- (a) Three school district superintendents; one representing a school district located east of the Missouri River, one representing a school district located west of the Missouri River, and one representing a school district with a fall enrollment of four hundred or fewer;
- (b) One current member of a local school board;

(c) One special education director who is currently employed in a school district other than a school district represented by a superintendent or school board member appointed to serve on the interim committee pursuant to this section; and

(d) One school district business manager; and

(3) The Governor shall appoint two persons, at least one of whom is the parent of a child who attends a public school and is in need of special education or special education and related services.

Section 3. That chapter 2-6 be amended by adding a NEW SECTION to read:

The interim committee shall be under the supervision of the Executive Board of the Legislative Research Council and shall report to the board on the interim committee's activities from time to time. The interim committee shall be funded and staffed as an interim legislative committee.

Section 4. That chapter 2-6 be amended by adding a NEW SECTION to read:

The interim committee shall conclude its work and report its findings and recommendations to the Legislature and to the Governor no later than the next legislative session.

Section 5. The provisions of this Act are repealed on June 30, 2020.

Study G was added to SB167 at the March 29 Executive Board meeting

Title of Requested Study: Study on Fighting Methamphetamine Addiction.

Scope of Requested Study: The study would include an examination of all the state government resources currently devoted to fighting the methamphetamine addiction problem in the state. Are any of the state's efforts duplicative? What efforts are succeeding, and what efforts are not succeeding? What rehabilitation services are available with the state's prisons? The study would also include a look at how the problem is being addressed on the local level. Are community support providers able to adequately address the problem? If not, how might their efforts be enhanced?

# Industrial Hemp Study

**Title of Requested Study (B):** Industrial Hemp Study

**Scope of Requested Study:** The Industrial Hemp Study Committee shall study the regulation and cost of implementing an industrial hemp program. What are the economic impacts of the production and sale of industrial hemp? What are potential costs or challenges for law enforcement? Study requirements for registration, licenses and permits; as well as seed certification and access.

Selected Study Topic by the Executive Board on March 29, 2019

Scope to be finalized on April 23, 2019

Membership to be determined on April 23

NOTE: This is just a worksheet - the size of the committee has not been determined.

SENATE CONCURRENT RESOLUTION NO. 2

A CONCURRENT RESOLUTION, To provide for legislative task forces to study, report, and develop and consider recommendations and proposed legislation regarding sustainable improvements to the continuum of mental health services available in the state.

WHEREAS, mental health issues in the State of South Dakota constitute a public health crisis; and

WHEREAS, communities, families, and individuals face a broad spectrum of mental health challenges on a daily basis; and

WHEREAS, South Dakota is faced with a high rate of suicide; and

WHEREAS, productive, long-term solutions are needed to address mental health access; and

WHEREAS, regionally focused solutions are the pathway to provide mental health access for all citizens; and

WHEREAS, separate task forces should be established to study, review, and identify each of the following:

- (1) Redefine acute mental health hospitalizations in the areas of short, intermediate, and long-term placement, with emphasis on keeping individuals needing placement in community whenever possible;
- (2) Reduce the overall use of acute mental health hospitalizations by developing and supporting existing alternatives where appropriate, create community-based short-stay alternatives, and develop day treatment options;
- (3) Leverage telehealth and telemedicine to the full appropriate extent, with focus on the areas of acute assessment and crisis supports, along with mental health assessments and counseling;
- (4) Redefine Human Service Center nursing home admission criteria and build mental health nursing home capacity for persons with organic brain damage; and
- (5) Increase the capacity for transitional housing and residential services in communities to keep individuals closer to home, and develop caregiver supports; and

WHEREAS, the task forces should consist of subgroups to study each recommended area, as

appointed by the Legislature, and task force subgroups should meet at least three times per year; and

WHEREAS, the task forces should make recommendations in a report to the Legislature no later than December 31, 2019, which should address changes necessary within state and county programs and any other areas deemed necessary:

NOW, THEREFORE, BE IT RESOLVED, by the Senate of the Ninety-Fourth Legislature of the State of South Dakota, the House of Representatives concurring therein, that the Executive Board of the Legislative Research Council is hereby directed to establish task forces on the status of mental health care in order to further the objectives described in this resolution.
