

MyLRC+ Required Training Schedule

Training will be held across the state during the month of November

Beginning with the 2020 Legislative Session, all legislators will be required to use MyLRC+ to electronically introduce and sponsor bills, so it is essential that each legislator attend a required training session. This required training will be held during the month of November and will be offered multiple dates in various locations. Legislators will be asked to RSVP for the training that best fits their schedule.
