CMHC VIRTUAL IMPLEMENTATION

- CMHCs are currently using tele-health to support clinical services in 24 South Dakota counties. This utilization has been dedicated to tele-psychiatry, SUD and MH services within CMHC catchment areas.
- CMHC expansion went from 11 counties to 24 counties in Y19.
- LCBH and SPBH jointly applied for USDA grant to expand telehealth services to 25 schools in 9 southcentral and southeastern counties.
- MAT telemedicine service expansion is being developed between LCBH CAC, DCI and BMS.
