Introduced by: Senators Knudson, Adelstein, Dempster, Gant, Gray, Hansen (Tom), Heidepriem, Rhoden, and Turbak Berry and Representatives Faehn, Cutler, Hunhoff (Bernie), Kirschman, Lust, Noem, Rausch, Rave, and Schlekeway

1 FOR AN ACT ENTITLED, An Act to provide for public access to public records, to provide
2 certain exemptions, and to provide for judicial remedies for noncompliance.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as
5 follows:

6 Except as otherwise expressly provided by statute, all citizens of this state, and all other
7 persons interested in the examination of the public records, as defined in section 2 of this Act,
8 are hereby fully empowered and authorized to examine such public record, and make
9 memoranda and abstracts therefrom during the hours the respective offices are open for the
10 ordinary transaction of business and, unless federal copyright law otherwise provides, obtain
11 copies of public records in accordance with this chapter.

12 Section 2. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as
13 follows:

14 Unless any other statute expressly provides that particular information or records may not

1 be made public, public records include all records and documents, regardless of physical form,
2 of or belonging to this state, any county, municipality, political subdivision, or tax-supported
3 district in this state, or any agency, branch, department, board, bureau, commission, council,
4 subunit, or committee of any of the foregoing. Data which is a public record in its original form
5 remains a public record when maintained in any other form.

6 Section 3. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as
7 follows:

8 If a custodian of a public record of a county, municipality, political subdivision, or tax-
9 supported district provides to a member of the public, upon request, a copy of the public record
10 by transmitting it from a modem to an outside modem, a reasonable fee may be charged for such
11 specialized service. Such fee may include a reasonable amount representing a portion of the
12 amortization of the cost of computer equipment, including software, necessarily added in order
13 to provide such specialized service. This section does not require a governmental entity to
14 acquire computer capability to generate public records in a new or different form if that new
15 form would require additional computer equipment or software not already possessed by the
16 governmental entity.

17 Section 4. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as
18 follows:

19 The provisions of this Act shall be liberally construed whenever any state, county, or
20 political subdivision fiscal records, audit, warrant, voucher, invoice, purchase order, requisition,
21 payroll, check, receipt, or other record of receipt, cash, or expenditure involving public funds
22 is involved in order that the citizens of this state shall have the full right to know of and have
23 full access to information on the public finances of the government and the public bodies and
24 entities created to serve them. Use of funds as needed for criminal investigatory/confidential

1 informant purposes is not subject to this section, but any budgetary information summarizing
2 total sums used for such purposes is public. Records which, if disclosed, would impair present
3 or pending contract awards or collective bargaining negotiations are exempt from disclosure.

4 Section 5. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as
5 follows:

6 Each public body shall maintain a file of all letters of denial of requests for records. This file
7 shall be made available to any person on request.

8 Section 6. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as
9 follows:

10 The following records may not be disclosed:

- 11 (1) Personal information in records regarding any student, prospective student, or former
12 student of any educational institution if such records are maintained by and in the
13 possession of a public entity, other than routine directory information specified and
14 made public consistent with 20 U.S.C. 1232g, as such section existed on January 1,
15 2009;
- 16 (2) Medical records, including all records of a drug or alcohol testing, treatment, or
17 counseling, other than records of births and deaths. This law in no way abrogates or
18 changes existing state and federal law pertaining to birth and death records;
- 19 (3) Trade secrets, academic and scientific research work which is in progress and
20 unpublished, and other proprietary or commercial information which if released
21 would give advantage to business competitors or serve no material public purpose;
- 22 (4) Records which consist of attorney work product or which are subject to any privilege
23 recognized in chapter 19-13;
- 24 (5) Records developed or received by law enforcement agencies and other public bodies

1 charged with duties of investigation or examination of persons, institutions, or
2 businesses, if the records constitute a part of the examination, investigation,
3 intelligence information, citizen complaints or inquiries, informant identification, or
4 strategic or tactical information used in law enforcement training. However, this
5 subdivision does not apply to records so developed or received relating to the
6 presence of and amount or concentration of alcohol or drugs in any body fluid of any
7 person, and this subdivision does not apply to a 911 recording or a transcript of a 911
8 recording, if the agency or a court determines that the public interest in disclosure
9 outweighs the interest in nondisclosure. This law in no way abrogates or changes
10 §§ 23-5-7 and 23-5-11 or testimonial privileges applying to the use of information
11 from confidential informants;

12 (6) Appraisals or appraisal information and negotiation records concerning the purchase
13 or sale, by a public body, of any interest in real or personal property, prior to

16 salaries and routine directory information;

17 (8) Information solely pertaining to protection of the security of public property and
18 persons on or within public property, such as specific, unique vulnerability

20 or mitigate criminal acts the public disclosure of which would create a substantial
21 likelihood of endangering public safety or property; computer or communications
22 network schema, passwords, and user identification names; guard schedules; lock
23 combinations; or any blueprints, building plans, or infrastructure records regarding
24 any building or facility owned, operated, or occupied by a government entity that

1 expose or create vulnerability through disclosure of the location, configuration, or
2 security of critical systems;

3 (9) The security standards, procedures, policies, plans, specifications, diagrams, access
4 lists, and other security-related records of the Gaming Commission and those persons
5 or entities with which the commission has entered into contractual relationships.
6 Nothing in this subdivision allows the commission to withhold from the public any
7 information relating to amounts paid persons or entities with which the commission
8 has entered into contractual relationships, amounts of prizes paid, the name of the
9 prize winner, and the municipality, or county where the prize winner resides;

10 (10) Personally identified private citizen account payment information, credit information
11 on others supplied in confidence, and customer lists;

12 (11) Records or portions of records kept by a publicly funded library which, when
13 examined with or without other records, reveal the identity of any library patron
14 using the library's materials or services;

15 (12)

16 (13) Records or portions of records kept by public bodies which would reveal the location,
17 character, or ownership of any known archaeological, historical, or paleontological
18 site in South Dakota if necessary to protect the site from a reasonably held fear of
19 theft, vandalism, or trespass. This subdivision does not apply to the release of
20 information for the purpose of scholarly research, examination by other public bodies
21 for the protection of the resource or by recognized tribes, or the federal Native
22 American Graves Protection and Repatriation Act;

23 (14) Records or portions of records kept by public bodies which maintain collections of
24 archaeological, historical, or paleontological significance which reveal the names and

1 addresses of donors of such articles of archaeological, historical, or paleontological
2 significance unless the donor approves disclosure, except as the records or portions
3 thereof may be needed to carry out the purposes of the federal Native American
4 Graves Protection and Repatriation Act;

5 (15)

6 (16) Social security numbers; credit card, charge card, or debit card numbers and
7 expiration dates; passport numbers, driver license numbers; or other personally
8 identifying numbers or codes; and financial account numbers supplied to state and
9 local governments by citizens or held by state and local governments regarding
10 employees or contractors;

11 (17) Any emergency or disaster response plans or protocols, safety or security audits or
12 reviews, or lists of emergency or disaster response personnel or material; any location
13 or listing of weapons or ammunition; nuclear, chemical, or biological agents; or other
14 military or law enforcement equipment or personnel;

15 (18) Any test questions, scoring keys, results, or other examination data for any
16 examination to obtain licensure, employment, or academic credit;

17 (19) Personal correspondence, memoranda, notes, calendars or appointment logs, or other
18 personal records or documents of any public official or employee used solely for that
19 official's or employee's own personal use and having no official purpose;

21 of the parties to any civil or criminal action or proceeding;

22 (21) Any list of names or other personally identifying data of occupants of camping
23 facilities from the Department of Game, Fish and Parks;

24 (22) Any other confidential or closed record under state statute or as provided by federal

1 statutes or rules or as necessary to participate in federal programs and benefits.

12 contract or highway construction or improvement;

6 follows:

7 Drafts, notes, recommendations, and memoranda in which opinions are expressed or policies
