3 appropriated for state aid to education.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

5 Section 1. That § 13-13-10.1 be amended to read as follows:

6 13-13-10.1. Terms used in this chapter mean:

- 7 (1) "Average daily membership," the average number of resident and nonresident
8 kindergarten through twelfth grade pupils enrolled in all schools operated by the
9 school district during the previous regular school year, minus average number of
10 pupils for whom the district receives tuition, except pupils described in subdivision
11 (1A) and pupils for whom tuition is being paid pursuant to § 13-28-42.1 and plus the
12 average number of pupils for whom the district pays tuition;
- 13 (1A) Nonresident students who are in the care and custody of the Department of Social
14 Services, the Unified Judicial System, the Department of Corrections, or other state

1 agencies and are attending a public school may be included in the average daily
2 membership of the receiving district when enrolled in the receiving district. When
3 counting a student who meets these criteria in its general enrollment average daily
4 membership, the receiving district may begin the enrollment on the first day of
5 attendance. The district of residence prior to the custodial transfer may not include
6 students who meet these criteria in its general enrollment average daily membership
7 after the student ceases to attend school in the resident district;

8 (2) "Adjusted average daily membership," calculated as follows:

9 (a) For districts with an average daily membership of two hundred or less,
10 multiply 1.2 times the average daily membership;

11 (b) For districts with an average daily membership of less than six hundred, but
12 greater than two hundred, raise the average daily membership to the 0.8293
13 power and multiply the result times 2.98;

14 (c) For districts with an average daily membership of six hundred or more,
15 multiply 1.0 times their average daily membership;

16 (2A) "Fall enrollment," the number of kindergarten through twelfth grade students enrolled
17 in all schools operated by the school district on the last Friday of September of the
18 current school year minus the number of students for whom the district receives
19 tuition, except nonresident students who are in the care and custody of a state agency
20 and are attending a public school and students for whom tuition is being paid
21 pursuant to § 13-28-42.1, plus the number of students for whom the district pays
22 tuition. When computing state aid to education for a school district under the
23 foundation program pursuant to § 13-13-73, the secretary of the Department of
24 Education shall use either the school district's fall enrollment or the average of the

1 school district's fall enrollment from the previous two years, whichever is higher;

2 (2B) Repealed by SL 2010, ch 84, § 1.

3 (2C) "Small school adjustment," for any school district defined as sparse pursuant to § 13-
4 13-78 is calculated as follows:

5 (a) For districts with a fall enrollment of two hundred or less, multiply 0.2 times
6 \$4,237.72;

7 (b) For districts with a fall enrollment of greater than two hundred, but less than
8 six hundred, multiply the fall enrollment times negative 0.0005; add 0.3 to that
9 result; and multiply the sum obtained times \$4,237.72;

10 "Small school adjustment," for any school district that is not sparse is calculated as
11 follows:

12 (a) For districts with two hundred or less resident students enrolled in the district,
13 multiply 0.2 times \$4,237.72;

14 (b) For districts with more than two hundred, but less than six hundred resident
15 students enrolled in the district, multiply the number of resident students
16 enrolled in the district times negative 0.0005; add 0.3 to that result; and
17 multiply the sum obtained times \$4,237.72;

18 The determination of the small school adjustment for a school district may not
19 include any students residing in a residential treatment facility when the education
20 program is operated by the school district;

21 (3) "Index factor," is the annual percentage change in the consumer price index for urban
22 wage earners and clerical workers as computed by the Bureau of Labor Statistics of
23 the United States Department of Labor for the year before the year immediately
24 preceding the year of adjustment or three percent, whichever is less;

- 1 (4) "Per student allocation," for school fiscal year 2012 is \$4,389.95. Each school fiscal
2 year thereafter, the per student allocation is the previous fiscal year's per student
3 allocation increased by the index factor;
- 4 (5) "Local need," is the sum of:
- 5 (a) The per student allocation multiplied by the fall enrollment; and
- 6 (b) The small school adjustment, if applicable, multiplied by the fall enrollment
7 for any school district defined as sparse pursuant to § 13-13-78; or
- 8 (c) The small school adjustment, if applicable, multiplied by the number of
9 resident students enrolled in the district for any school district that is not
10 sparse;
- 11 (6) "Local effort," the amount of ad valorem taxes generated in a school fiscal year by
12 applying the levies established pursuant to § 10-12-42;
- 13 (7) "General fund balance percentage," is a school district's general fund equity divided
14 by the school district's total general fund expenditures for the previous school fiscal
15 year, the quotient expressed as a percent;
- 16 (8) "General fund reserves," the sum of a school district's nonspendable and restricted
17 fund balances of the general fund;
- 18 (9) "Nonspendable fund balance," that amount of the fund balance that is not in
19 spendable form;
- 20 (10) "Restricted fund balance," that amount of the fund balance that has constraints on
21 how it may be used that are externally imposed or are imposed by law.

22 Section 2. That § 13-13-73 be amended to read as follows:

23 13-13-73. The secretary of the Department of Education shall compute state aid to education
24 for each school district under the foundation program according to the following calculations:

- 1 (1) Determine each school district's fall enrollment;
- 2 (2) To arrive at the local need per district:
- 3 (a) Multiply the per student allocation by the fall enrollment;
- 4 (b) ~~Multiply~~ For any school district defined as sparse pursuant to § 13-13-78,
- 5 multiply the small school adjustment, if applicable, by the fall enrollment; and
- 6 or
- 7 For any school district that is not sparse, multiply the small school adjustment,
- 8 if applicable, by the number of resident students enrolled in the school district:
- 9 and
- 10 (c) Add the product of subsection (a) to the product of subsection (b);
- 11 (3) State aid is (a) local need minus local effort, or (b) zero if the calculation in (a) is a
- 12 negative number;
- 13 (4) If the state aid appropriation for the general support of education is in excess of the
- 14 entitlement provided for in this section and the entitlement provided for in § 13-13-
- 15 85, the excess shall be used to fund any shortfall of the appropriation as provided for
- 16 in § 13-37-36.3. The secretary shall report to the Governor by January seventh of
- 17 each year, the amount of state aid necessary to fully fund the general aid formula in
- 18 the current year. If a shortfall in the state aid appropriation for general education
- 19 exists that cannot be covered by § 13-37-45, the Governor shall inform the
- 20 Legislature and provide a proposal to eliminate the shortfall.

21 Section 3. That chapter 13-13 be amended by adding thereto a NEW SECTION to read as

22 follows:

23 Any money appropriated for state aid to general education that is in excess of the amount

24 of money necessary to meet the entitlement provided for in this chapter and to meet any shortfall

1 pursuant to subdivision 13-13-73(4) is not subject to reversion pursuant to § 4-8-19 and shall
2 be distributed to all school districts receiving state aid pursuant to this chapter on a pro rata basis
3 according to each eligible school district's fall enrollment compared to the total fall enrollment
4 of all eligible school districts.
