DESCRIPTION: All Departments - This amendment adds \$10,499 in federal fund expenditure authority and \$622,288 in other fund expenditure authority to the Bureau of Information and Telecommunications for the Software Engineering and Technology Engineering career banding families. This will result in an increase of billings to state agencies for computer services, so \$174,966 in general funds, \$190,482 in federal fund expenditure authority, and \$256,840 in other fund expenditure authority has been distributed among agencies to pay these additional expenses. (BFM)
