8 account of personal injury, death, or property damage caused by or resulting from the

16 permanent part of the pregnant mother's medical records. Other than forwarding such
17 documents to the abortion physician, no information obtained by the pregnancy help
18 center from the pregnant mother may be released, without the written signed consent
19 of the pregnant mother or unless the release is in accordance with federal, state, or
20 local law.

21 Nothing in §§ 34-23A-53 to 34-23A-62, inclusive, may be construed to impose any duties
22 or liability upon a pregnancy help center.

23 Section 8. That chapter 34-23A be amended by adding thereto a NEW SECTION to read
24 as follows:

1 Any pregnancy help center listed on the Department of Health registry of pregnancy help
2 centers prior to January 1, 2012, shall, beginning on January 1, 2013, have available either on
3 staff or pursuant to a collaborative agreement, a licensed counselor, or licensed psychologist,
4 or licensed nurse, or licensed marriage and family therapist, or a licensed physician to meet
5 privately with the pregnant mother to provide the counseling and meeting required by this Act.

6 Any pregnancy help center placed on the state registry on or after January 1, 2012, shall have
7 one or more such licensed professionals available on staff or pursuant to collaborative
8 agreement for such purposes beginning on January 1, 2012.

9 Section 9. That chapter 34-23A be amended by adding thereto a NEW SECTION to read
10 as follows:

11 Any person who knowingly and intentionally releases any information obtained during any
12 consultations resulting from this Act, under circumstances not in accord with the confidentiality
13 provisions required by this Act, is guilty of a Class 2 misdemeanor. Such a conviction of a Class
14 2 misdemeanor shall be reported to any agency or board responsible for licensing or certifying
15 the persons who conducted the counseling required by this Act.

16 Section 10. That § 34-23A-61 be amended to read as follows:

17 34-23A-61. In any civil action presenting a claim arising from a failure to comply with any
18 of the provisions of this chapter, the following shall apply:

19 (1) The failure to comply with the requirements of this chapter relative to obtaining
20 consent for the abortion shall create a rebuttable presumption that if the pregnant
21 mother had been informed or assessed in accordance with the requirements of this
22 chapter, she would have decided not to undergo the abortion;

23 (2) If the trier of fact determines that the abortion was the result of coercion, and it is
24 determined that if the physician acted prudently, the physician would have learned

1 of the coercion, there is a nonrebuttable presumption that the mother would not have
2 consented to the abortion if the physician had complied with the provisions of §§ 34-
3 23A-53 to 34-23A-62, inclusive;

4 (3) If evidence is presented by a defendant to rebut the presumption set forth in
5 subdivision (1), then the finder of fact shall determine whether this particular mother,
6 if she had been given all of the information a reasonably prudent patient in her
7 circumstance would consider significant, as well as all information required by
8 §§ 34-23A-53 to 34-23A-62, inclusive, to be disclosed, would have consented to the
9 abortion or declined to consent to the abortion based upon her personal background
10 and personality, her physical and psychological condition, and her personal
11 philosophical, religious, ethical, and moral beliefs;

12 (4) The pregnant mother has a right to rely upon the abortion doctor as her source of
13 information, and has no duty to seek any other source of information, other than from
14 a pregnancy help center as referenced in §§ 34-23A-56 and 34-23A-57, prior to
15 signing a consent to an abortion;

16 (5) No patient or other person responsible for making decisions relative to the patient's
17 care may waive the requirements of this chapter, and any verbal or written waiver of
18 liability for malpractice or professional negligence arising from any failure to comply
19 with the requirements of this chapter is void and unenforceable.
