

PRISON/JAIL POPULATION COST ESTIMATE STATEMENT
NINETIETH SESSION
LEGISLATIVE ASSEMBLY 2015

HOUSE BILL NO. 1229

AN ACT TO REVISE PROVISIONS RELATED TO THE RELEASE OF MEDICAL WASTE.

A prison/jail population cost estimate statement has been requested on HB1229 due to the penalty in section 1.

This Act describes a crime that if prosecuted could result in a prison or jail sentence. However, there have been no convictions or jail sentences under the existing penalty in § 34-A6-102.1. As a result, a violation and prosecution is likely to be rare. Therefore, the impact on prison or jail populations is estimated to be low.
