The Highway Patrol currently has 5 troopers who are certified as police motorcycle operators. The motorcycles are stationed in Pierre, Sioux Falls and Rapid City.

Driver Licensing Update

Now that all South Dakota licensed drivers hold a federally compliant card, the online renewal of driver licenses and ID cards continues to increase.

Along with online renewal of licenses and ID cards, South Dakotans can now use credit cards to pay for transactions at all state driver exam stations and on the internet. Examiners began accepting credit card payments in March.
