FY17 Funding Sources

South Dakota Developmental Center

Mission Statement

To provide individualized treatment services and supports to people with developmental disabilities and challenging behaviors only when needed services are not available in a community setting.

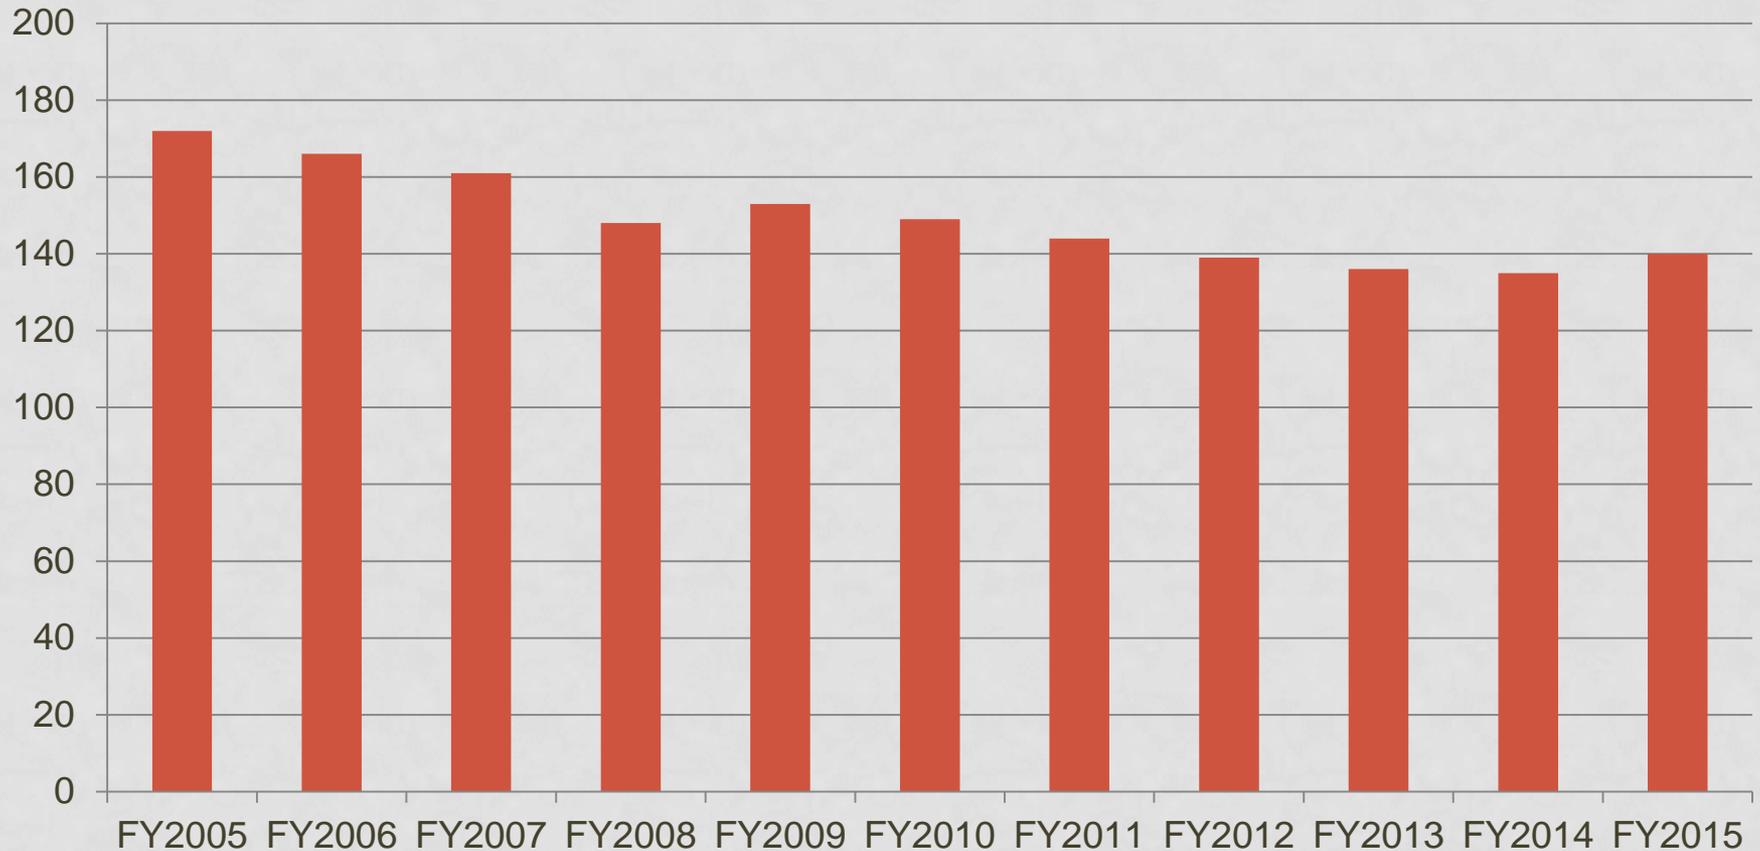

South Dakota Developmental Center

Services:

- Primarily services include the diagnosis, treatment, or rehabilitation of persons with intellectual disabilities or related conditions
- Provides, in a protected residential setting, ongoing evaluation, planning, 24-hour supervision, coordination, and integration of health or rehabilitative services to help each individual function at his greatest ability
- Specialized services include mental illness, substance abuse, and psychiatric services; also includes intensive treatment services for sex offenders
- This is an intensive program of training, treatment and health services. Admission occurs only when services are not available in the community

Primary Impairments

Division of Rehabilitation Services

Assistive Daily Living Services (ADLS)

Description:

The Assistive Daily Living Services Program is a Medicaid waiver program that provides personal attendant care and other services to adults with quadriplegia to live independently in their own home.

Services include:

- Assistance with activities of daily living such as bathing and dressing
- Case Management
- Skilled Nursing
- Specialized Medical Supplies and Emergency Response Devices

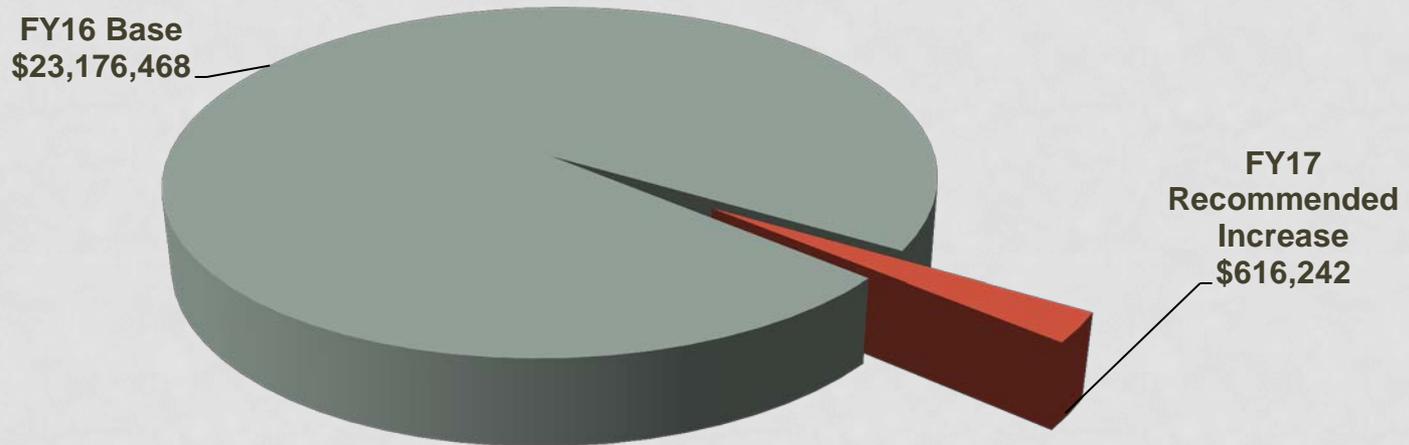

Budget Request:

- Additional services to meet the needs of participants
- Required changes to the provision of case management service
- Personal Attendant and skilled nursing rates
