

**PRISON/JAIL POPULATION COST ESTIMATE STATEMENT**  
NINETY-FOURTH SESSION  
LEGISLATIVE ASSEMBLY 2019

**SENATE BILL NO. 74**

---

**AN ACT TO REVISE PROVISIONS REGARDING MULTIPLE CONVICTIONS FOR  
CERTAIN OFFENSES.**

A prison/jail population cost estimate statement is required for SB 74 because it adds a type of simple or aggravated assault and a type of intentional contact with bodily fluids to a group of crimes for which a conviction is elevated to a Class 6 felony if it is the third or more conviction within the last ten years. Because of a late change in the data request from LRC, a calculation of the impact of SB 74 cannot be made at this time. The LRC will re-issue this prison and jail population cost estimate as soon as these calculations can be made.
