# **SOUTH DAKOTA BUILDING AUTHORITY**

## **CONTENTS**

The Authority	1
Members and staff	2
Revenue bond index charts	3
New projects financed	5
Project Summaries as of September 30, 2016	6
Outstanding bonds as of June 30, 2016	10
Map of projects funded	11
Listing of all projects financed	13

## **THE AUTHORITY**

The South Dakota Building Authority (Authority) was created and organized by Chapter 5-12 of the South Dakota Codified Laws (the Act). The purposes of the Authority are to build and otherwise provide hospital, housing, penitentiary, administrative, classroom, dining hall, fieldhouse, parking, union building, library, recreational, laboratory, office and similar facilities for the use by the State. The Authority is an integral part of the State of South Dakota and is reported in the South Dakota Comprehensive Annual Financial Report.

The Authority is empowered under the Act to acquire, construct, complete, remodel, maintain and equip buildings and other facilities as the Legislature by law declares to be in the public interest. To finance such projects, the Authority is empowered to issue and sell bonds or other forms of indebtedness in such amount or amounts as the Authority may determine, to refund and refinance its indebtedness as often as is advantageous in the public interest to do so, to pledge any and all income of the Authority and any revenues derived from such facilities or any combination thereof, to secure the payment of such bonds and other forms of indebtedness and to redeem such bonds or indebtedness. The Authority may also issue interim notes to finance any of the projects or perform any of the duties authorized under the Act, including planning, architectural and engineering fees, acquisition of land and purchase of equipment.

In addition, the Authority may finance loans to participants in a program of the United States to assist owners and operators of highly-erodible cropland in conserving and improving the soil and water resources of their farms or ranches within the state and may, for the purpose of financing such loans, issue revenue bonds or interim notes, pursuant to the powers vested in the Authority.

Concurrently with the issuance of bonds, interim notes or other forms of indebtedness, the Authority executes leases or lease supplements of the related facilities and sites with the board, department, office, commission or agency of the State which will use and operate the facility.

The state agency selects the investment banker, the Authority selects the bond counsel. All investments are handled through the South Dakota Investment Council.

**MEMBERS AND STAFF**  
**SOUTH DAKOTA BUILDING AUTHORITY**

Thomas W. Graham,  
Chairman

Douglas Hajek,  
Vice Chairman

James C. Roby,  
Secretary
