NOTICES OF PROPOSED RULES: (The date in parentheses is the date the rules were filed in the Legislative Research Council.)

Public Utilities Commission: (July 2, 2007) intends to amend telecommunications rules to add some requirements for applicants requesting a certificate of authority to provide interexchange services in South Dakota, including providing information to customers and the prevention of slamming and to delete some requirements, including the filing of tariffs, cost support for certain rates, and organizational information; clarify that any security filed by an interexchange company is only for the benefit of South Dakota customers; add requirements for alternative operator services regarding notification to customers prior to the customer incurring charges for a call and to delete the requirement to file tariffs; regarding applications for certificates of authority to provide local exchange services in South Dakota: add some additional requirements, including providing information to customers and delete some requirements, including the filing of tariffs, cost support for certain rates, and organizational information; require some form of security as a condition to receiving a certificate of authority; waive the provisioning of a requirement for local exchange service if it is not necessary based on the type of service being provided; require a petition for arbitration of an interconnection agreement to be accompanied by written testimony, exhibits, cost support, request for protective order, and proposed procedural schedule; require that responses to arbitrations must contain the information that is required for petitions for arbitration; require a petition for suspension or modification of an

interconnection requirement to include written testimony and exhibits; add a rule which sets forth how a person who is not a party to an arbitration may participate; clarify that an eligible telecommunications carrier must continue to file improvement plans after the filing of the initial plan; require the annual life line report to be filed with the annual certification; require local exchange companies to notify customers in advance of all interruptions due to maintenance, if possible, instead of just for "extended" interruptions; set forth the requirements for notifying customers when a new telephone company acquires the subscriber base of another carrier and to require the acquiring carrier must provide to the subscriber the rates, terms and conditions of service as well as other information and give notice 30 days before the transfer which would allow the subscriber sufficient time to choose a new carrier; and change how customers are notified of changes in rates, terms and conditions of service. The general authority for these rules, as cited by the commission, is SDCL 49-31-3, 49-31-5, 49-31-76, 49-31-77, 49-31-81, 49-31-85, and 49-31-89.

A public hearing will be held in Room 413, 4th Floor, State Capitol, 500 East Capitol, Pierre, South Dakota, on August 2, 2007, at 9:00 a.m. Copies of the proposed rules may be obtained without charge from and written comments sent to the South Dakota Public Utilities Commission, State Capitol, 500 East Capitol, Pierre, SD 57501-5070. Copies are also available at the commission's home page at <http://www.state.sd.us/puc/commission/dockets/rulemaking/2007/rm07-001/rm07-001.htm>. Material sent by mail must be received by the Public Utilities Commission by August 13,

2007, to be considered. This hearing is being held in a physically accessible place. Persons who have special needs for which the commission can make arrangements are asked to call (605) 773-3201 at least 48 hours before the hearing.
