

AN ACT

ENTITLED, An Act to revise certain administrative rules with regard to minimum medication administration training for adjustment training center employees.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. That ARSD 46:13:01:06 be amended to read as follows:

46:13:01:06. Content of medication administration training. Each adjustment training center shall provide a minimum of twenty hours of medication administration training to employees, including academic instruction and practical application. This training must be conducted under the supervision of a licensed registered nurse. No employee may administer any medication until the employee has successfully completed the training. The content of the training for medication administration must address these areas:

- (1) General information relevant to the administration of medications including governmental regulations and legalities, ethical issues, terminology, forms of medication, procedures and routes of medication administration, and medication references;
- (2) An overview of major categories of medications as related to body systems and basic principles of drug therapy;
- (3) Additional instruction, including those categories of medications related to the specific needs of the consumers that the staff will be assisting;
- (4) Limitations of the staff administering medications;
- (5) Legal responsibilities to the consumers, the nurse, and the adjustment training center;
- (6) Reporting observations for the well-being of the consumer, including potential side effects and adverse reactions to medications;
- (7) The adjustment training center's policy and procedures regarding its medication system, including storage;
- (8) Assistance with safe and accurate self-administration or administration of medications; and

(9) Reporting of medication administration errors.

An Act to revise certain administrative rules with regard to minimum medication administration training for adjustment training center employees.
