1 FOR AN ACT ENTITLED, An Act to revise certain vaccination and brucellosis testing
2 provisions related to the importation of livestock.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That § 40-7-20 be amended to read as follows:

5 40-7-20. No person may bring or cause to be brought into this state any female cattle or
6 bison over twelve months of age for dairy or breeding purposes within this state ~~that have not~~
7 ~~been officially calfhood vaccinated against brucellosis and are negative to the brucellosis test~~
8 ~~administered within thirty days prior to importation, if such livestock are test-eligible~~ except in
9 accordance with import requirements for official calfhood vaccination and brucellosis testing
10 pursuant to rules promulgated pursuant to chapter 1-26 by the Animal Industry Board. No
11 person may bring or cause to be brought into this state any livestock that originate in herds or
12 lots if the herd or lot when tested revealed suspects or reactors to a brucellosis test, until the herd
13 or lot has subsequently passed a negative test at least thirty days after the suspect or reactor was
14 removed from the herd or lot in which it originated.

1 No person may acquire any female breeding cattle or bison between twelve and twenty-four
2 months of age that are not officially calfhood vaccinated against brucellosis.

3 ~~"Officially~~ The term, officially calfhood vaccinated", means that a bovine or bison female
4 animal was vaccinated against brucellosis while from four to twelve months of age, under the
5 supervision of a federal or state veterinary official, with a vaccine approved by the Animal
6 Industry Board, and permanently identified as such a vaccinate and reported at the time of
7 vaccination to the appropriate state or federal agency cooperating in eradication of brucellosis.

8 Any person violating the provisions of this section is guilty of a Class 6 felony.
