- (2) The maximum tax levy on agricultural property for such school district shall be two dollars and sixty-one cents per thousand dollars of taxable valuation. If the district's levies are less than the maximum levies as stated in this section, the levies shall maintain the same proportion to each other as represented in the mathematical relationship at the maximum levies;
- (3) The maximum tax levy for an owner-occupied single-family dwelling as defined in § 10-13-40, for such school district may not exceed four dollars and ten cents per thousand dollars of taxable valuation. If the district's levies are less than the maximum levies as stated in this section, the levies shall maintain the same proportion to each other as represented in the mathematical relationship at the maximum levies; and
- (4) The maximum tax levy on nonagricultural acreage property as defined in § 10-6-33.14, for such school district shall be three dollars and sixty-one cents per thousand dollars of taxable valuation. If the district's levies are less than the maximum levies as stated in this
