

24:14:08:21. Other services. The individualized family service plan, to the extent appropriate, must:

(1) Identify medical and other services that the child or family needs or is receiving through other sources, but that are neither required nor funded under this article; and

(2) If those services are not currently being provided, include a description of the steps the service coordinator or family may take to assist the child and family in securing those other services.
