

**67:61:17:07. Services provided.** The program may provide its clients with a variety of treatment services, but it must provide the following services:

(1) Initial assessment and planning within 48 hours of admission. The initial assessment shall be recorded in the client's case record and includes:

- (a) The client's current problems and needs;
- (b) The client's emotional and physical state including screening for the presence of cognitive disability, mental illness, medical disorders, collateral information, and prescribed medications;
- (c) The client's drug and alcohol use including the types of substances used, including prescribed or over the counter medications, age of first use, the amount used, the frequency of use, the date of last use, the duration of use, and the criteria met for a diagnosis of use disorder for each substance; and
- (d) A statement of the intended course of action;

(2) Individual, group, and family counseling may include the following:

- (a) Provide information about alcohol and drug abuse programs whose capabilities most nearly match the client's needs based on completion of the initial assessment;
- (b) Encourage the client to use alcohol and drug abuse programs for long range rehabilitation;
- (c) Education regarding alcohol and drug abuse and dependence, including the biomedical effects of drug and alcohol use and abuse and the importance of medical care and treatment in recovery; and
- (d) Education regarding tuberculosis and the human immunodeficiency virus, how each is transmitted and how to safeguard against transmission;

(3) Housing and dietary services;

(4) Medical care shall include the following:

- (a) Tuberculosis and human immunodeficiency virus services pursuant to 42 U.S.C. § 300x-24 (Requirements Regarding Tuberculosis and Human Immunodeficiency Virus, October 27, 1992); and

(5) Discharge planning to include the following:

- (a) Continued care planning and counseling;
- (b) Referral to and coordination of care with other resources that will assist a client's recovery, including education, vocational, medical, legal, social, mental health, employment, and other related alcohol and drug services; and
- (c) Referral to and coordination of medical services to include the availability of tuberculosis and human immunodeficiency virus services pursuant to 42 U.S.C. § 300x-24 (Requirements Regarding Tuberculosis and Human Immunodeficiency Virus, October 27, 1992).
