

02:01:06:02.01. Emergency response appointment. (Emergency Rule/effective May 19, 2017). A person qualified under chapter 2:01:02 who has not completed the training program required by § 2:01:06:01, may be appointed on a temporary basis as a law enforcement officer in order to provide assistance to an appointing agency under an Emergency Management Assistance Compact. An appointed person may not work in an enforcement capacity until the appointed person has received instruction from the appointing agency on its use of force or response to resistance policy. The appointed person shall be a certified officer with another law enforcement agency and shall have successfully completed a firearms qualification course within the year prior to the appointment. Proof of certification and qualification required under this section shall be provided to the Office of Law Enforcement Training.
