

12:68:18:07. Reporting requirements. A permit holder under § 12:68:18:06 must maintain records of all additions and disappearances of animals covered by the permit requirements. All such records must be made available to the board at the request of the board. The records must include the individual identification by legible tattoo or official eartag as defined in 9 C.F.R. § 71.1 (January 1, 2017), by a similar tag, or by electronic means and the name and address of all parties involved in transactions of sale, purchase, lease, loan, gift, or translocation.

Additionally, all reports involving all captive nondomestic cervids imported or possessed in South Dakota must include individual animal identification by listing on the report an official electronic identification number as defined in 9 C.F.R. § 71 (January 1, 2017) and one additional form of individual identification including registration tattoo, other official eartag, or a management tag as applied by the person possessing the animal and as approved by the board.

Disappearances by death or escape and any diseased animal must be reported to the board by telephone or in writing immediately. The permittee must have any animals that die autopsied at the official diagnostic laboratory for the board if requested to do so by the board. The permittee is responsible for all expenses of transporting the animals to the laboratory.
