Executive Orders

The Governor has signed Executive Order 2019-26, dated November 1, 2019. SDCL 49-28A-3 and 49 CFR Parts 390-399 of the U.S. Department of Transportation Federal Motor Carrier Safety Regulations regulate the hours of service, equipment, and safety requirements for drivers of propane transport vehicles. South Dakota is currently facing extremely low inventories and outages of propane with no estimate of when normal supply levels will be returned to terminals. This executive order declares a state of emergency in South Dakota and directs that transportation and delivery of propane into or within the state be exempted from 49 CFR Parts 390-399 through November 30, 2019.

The Governor has signed Executive Order 2019-27, dated November 4, 2019. The position of South Dakota Artist Laureate was established in 2015. South Dakota native Dale Lamphere has contributed to the culture and vitality of the state as a professional artist for nearly 50 years. This executive order appoints Mr. Lamphere as South Dakota’s Artist Laureate through July 1, 2023.

The Governor has signed Executive Order 2019-28, dated November 6, 2019. The State of South Dakota has been impacted by severe storms and flooding starting in September of 2019, causing damage to the road infrastructure and unexpected costs for road and bridge repairs. This executive order, under provisions of SDCL 34-48A, declares a disaster to exist in Clay and Codington Counties from November 6, 2019 unless further extended by subsequent executive orders, and requests federal resources be provided to alleviate the impacts of the storms and flooding to state and local governments.
