Legislative Terms of Office

Legislative terms of office are set by Article III, § 6 of the South Dakota Constitution which states in part:

...The terms of office of the members of the Legislature shall be two years.

...No person may serve more than four consecutive terms or a total of eight consecutive years in the senate and more than four consecutive terms or a total of eight consecutive years in the house of representatives. However, this restriction does not apply to partial terms to which a legislator may be appointed.
