If the special interest motor vehicle plate is personalized, the plate shall conform to the requirements established for special personalized license plates in § 32-5-89.2. The special interest motor vehicle plate shall be reflectorized and validated with a decal each year in the same manner as noncommercial license plates. Notwithstanding the requirements of § 32-5-98, a vehicle for which a special interest motor vehicle license plate is issued is not required to display a number plate on the front of the vehicle. The special interest motor vehicle license plate shall be securely fastened to the rear of the special interest motor vehicle in a horizontal and upright position.
