FISCAL NOTE, 2019 LEGISLATIVE SESSION

FISCAL NOTE 2019-HB1035A

HB 1035 rename the unemployment insurance program to the reemployment assistance program.

HB1035 changes the name of the unemployment insurance program to the reemployment assistance program. This change would affect any printed and electronic documents, physical signs, or any webpages operated by the Department of Labor and Regulation (DLR).

Based on information provided by DLR, the cost to change printed documents is expected to be \$13.50 due to the practices and policies of DLR regarding printed documents, the cost to change three small physical signs is expected to be \$60.00, and the programming cost to change electronic applications and webpages is expected to be \$12,496.

The total fiscal impact of HB1035 is expected to be \$12,569.50. DLR expects to utilize the unemployment insurance administration federal grant to pay for these costs.
